

SAMPLE ONLY - Fictional Medicine Information

This document is a made-up sample for testing the MediGuide app.
It is not real medical guidance.

Medicine A (sample) is described for relief of headache and mild body pain.
Do not use this sample as a source for real medical decisions.

Medicine B (sample) is described for fever and body ache.
Consult a doctor or pharmacist before use.

Sample Page 2

Medicine C (sample) is described for dry cough and throat irritation.
People with breathing problems should ask a doctor first.

Medicine D (sample) is described for nausea and mild stomach upset.
Stop use and seek advice if symptoms continue.

General note: keep all medicines away from children.
